Re: Reference Letter

To Whom It May Concern:

This letter is in reference to the services of Continental Pools. I have personally used Continental Pools as our pool management company for the last 4 years throughout the Washington Metropolitan Area. Continental Pools is a very reliable company. I never had to worry about the pool being open late as they always schedule their lifeguards to arrive prior to the opening of the pool each day. Whenever I have any questions or concerns, they are addressed immediately in a professional and friendly manner. The management team is very knowledgeable and will work with you to ensure all safety precautions are met.

Should you have any questions about Continental Pools, please feel free to contact me.

Sincerely,

Emily Stone
Property Manager
