Matt Martin:

Thank you so much for your quick response to our desperate need for tile work. We were in a bind and had to close the pool, but thanks to you that closure was only a few days instead of a few weeks. We all really appreciate you and your company for helping us out and have attached a few pictures and a video of us using the pool after your gracious and very hot efforts to get us swimming again! Thanks so much from all of us at NVTC!

Sincerely,
