Attention: Bob Terpening

Dear Mr. Terpening:

During many of the previous years during which the Penbrooke pool was in operation, I felt an obligation to write, for the record, how dangerously bad the lifeguard service had been. This year, I am extremely happy to report my observations that we at last have had professional lifeguards for 2008.

Your people, in my opinion, have earned an A+. I look forward to seeing them or equally good lifeguards next year.

Sincerely,

cc: Penbrooke BOD c/o Peggy Greenspan
