Dear Nick Terrebrood:

My name is Doris Morris and I work at **Milestone Apartment Homes**. I recently organized and had a Community Pool Party on August 15th, 2009 for the residents here at Milestone and had a *great turnout*. I just wanted to say that the lifeguards that were currently on duty working that day which were *Ilya, Gleb and Giltekin* did a fantastic job! There were a lot of residents that attended this party and they kept everything under control. The manager Rob O'Brien was also great, he was here for awhile making sure things were done accordingly.

Also want to mention that other lifeguards such as *Bojan, Dragan* and *Andrew* who worked this summer were also great!

Just wanted to say "**Thanks**" and I hope that you recognize them. *You have a great team!*

Sincerely,

Doris Morris
